

OCCON Goes Global: Grand Opening of Second Location

- **OCCON opens second location in Istanbul, Turkey**

OCCON GmbH has been serving customers around the globe for over a decade. With a diverse array of employees and its international customer base, OCCON has been operating on a global scale from the very first minute. However, the company's headquarter and sole location has always remained firmly rooted in the heart of Europe.

Now in 2018, OCCON GmbH will expand its services by opening a second location in **Istanbul, Turkey**. This leap in internationality will enable the company to further support their global customers, while of course continuing to operate from Ludwigshafen as their main facility.
